

Fathy Mohamed Fathy

Front-End Developer (React.js)

📍 Zagazig, Egypt ✉ fathymohamedfathy299@gmail.com 📞 01095463468 [GitHub](#) [LinkedIn](#)

Summary

Innovative Front-End Developer with +1 year of experience building and maintaining responsive websites in the recruiting industry and a proven ability to collaborate effectively with senior developers while spending extra time being mentored. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary. With a passion for both personal growth and for software development.
